## New Jersey Girl is Chosen Queen for Asbury Carnival

Miss Edna Menard Freeman of East Orange Makes Bobbed Hair the Model for Her Court—Titania's Emblem to Be Raised To-morrow.

ASBURY PARK, N. J., Aug. 19. CARNIVAL officials have selected a New Jersey girl for the role of Titania, queen of the carnival here. She is Miss Edna Menard Freeman, daughter of Mr. and Mrs. Clinton M. Freeman of 69 Rhode Island avenue, East Orange, a pretty blonde with bobbed hair, a royal flapper, who will become the thirty-first to wear the purple of the carnival dynasty. She will be attended by a bevy of bobbed haired ladies in waiting.

In proclaiming Miss Freeman Titania to-day the Carnival Association announced also as additional maids at court Miss Louise Gertrude Craig, daughter of Mrs. Henrietta Craig of New York, passing the summer at the Lafayette Hotel; Miss Nan Gable, daughter of Mr. and Mrs. Frank A. Gable of Shamokin, Pa., who have an eighth avenue cottage for the season; Miss Elizabeth A. Dukiet, daughter of Mr. and Mrs. Charles Dukiet of Sunset avenue, Asbury Park, and Miss Eugene Louise Shreve, daughter of Mr. and Mrs. Henry G. Shreve of Ocean Grove.

Titania's emblem will be raised to-morrow over the New Monterey Hotel, where she is passing the summer with her parents. The new monarch is an outdoors girl, besides swimming, tennis and riding, being especially fond of golf. She announced to-night that her royal banquet would be given at the Rose, Fenton Farm the night of August 30.

The new Titania will be crowned in the boardwalk arcade next Friday evening. An elaborate ceremony has been arranged for this event, which will be the first appearance of the royal court for inspection by their subjects. The occasion also will serve to bring the spirit of the kingdom into public view. They have been gathering for weeks under the patronage of Mrs. Edith Morgan Savage in the Brunswick Hotel.

Meantime recruits for the pageant on August 30 are pouring into the carnival offices, and indications now are that 700 or more children and babies will be marshaled in the great parade. The sort is promising to entertain 100,000 spectators for the parade. Great grandstands are going up along Ocean avenue and the Amphitheater, in which the royal pavilion will be set, will seat 10,000, who will watch the judges at their work of awarding the hundred or more chief prizes.

**Golf With Lemons.**

While the approaching carnival is the chief topic of public interest, August visitors who have filled the hotels have present pleasures. To-day at the Asbury Park Golf and Country Club a feature of comedy day was a one hole tournament with lemons substituted for golf balls. The winner was the golfer negotiating the hole in the least number of strokes and the least damage to the lemon. Moving pictures, showing leading professional golfers in sloped down action preceded a dance to-night.

One of the events of early September will be the annual field day and parade of New Jersey Knights Templars. They will establish headquarters in the New
